

## RoHS Declaration of Conformity

Object of the declaration:

Hardware-based tools for testing and debugging software on microprocessors

Manufacturer:

Lauterbach GmbH  
Altlaufstraße 40  
85635 Höhenkirchen-Siegertsbrunn

This declaration of conformity is issued under the sole responsibility of the manufacturer.

The object of the declaration is in compliance with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment, including the delegated Directive 2015/863/EU (RoHS 3).

The conformity assessment was carried out on the basis of supplier declarations and material declarations in accordance with DIN EN IEC 63000:2019-05 for the assessment of electrical and electronic equipment with regard to the restriction of hazardous substances.

Höhenkirchen-Siegertsbrunn, 17<sup>th</sup> December 2024
